**Customer Authorization for Electronic Signature**

Version 2012.10.23

Thank you for deciding to use **Car-Part.com's Electronic Signature Service**. Please complete and return this Customer Authorization for Electronic Signature agreement to be approved for the Electronic Signature Service.

The undersigned (the "**Customer**") desires to be able to authorize and/or take the following actions from time to time by way of e-mail, Car-Part messaging, and/or other electronic means: (1) subscribe to new Car-Part.com products and services; (2) execute any and all registrations, agreements, and other documentation necessary in connection with any such new Car-Part.com products and services; (3) establish or modify Customer's configuration(s) or account setting(s) for various Car-Part.com products and services; (4) request additional users for various Car-Part.com products and services; (5) provide requested authorizations or consents for various Car-Part.com products, services, and/or features (including, without limitation, consent to forward Customer's inventory data to estimating companies, core buyers, and other companies); and/or (6) take or authorize any other action requested or required of Customer by Car-Part.com from time to time (collectively, the "**Actions**").

By executing this Customer Authorization for Electronic Signature (the "**Authorization**"), the Customer understands, acknowledges, and agrees that:

- Car-Part.com may allow the Customer to authorize and/or take some or all of the Actions by way of e-mail, Car-Part messaging communication, or other electronic means (including, without limitation, by way of typing the Customer name, the name and title of the person electronically signing the document, your Car-Part.com customer number, and any other information required by Car-Part.com on an electronic or web-based version of the applicable registration, agreement, authorization, consent, or other document);
- Authorizing or taking any Action by e-mail, Car-Part messaging communication, or any other electronic means is specifically intended to: (i) reflect an intention by the Customer to authorize and/or agree to the subject Action by electronic means; and (ii) constitute an electronic signature on the subject Action, registration, agreement, authorization, consent, document, or other matter under the Electronic Signatures in Global and National Commerce Act, any version of the Uniform Electronic Transactions Act, and/or any other statute, regulation or rule governing electronic transactions;
- The Customer electronically signing any registration, agreement, authorization, consent, or other document is specifically intended to result in the Customer being legally bound by such registration, agreement, authorization, consent or other document as fully as if the Customer had physically signed a paper copy of such registration, agreement, authorization, consent, or other document;
- Car-Part.com may establish procedures for the Customer to follow when authorizing and/or taking some or all of the Actions by way of e-mail, Car-Part messaging communication, or other electronic means (including, by way of example and not of limitation, requiring the Customer to include its designated authorization code in any e-mail, Car-Part messaging communication, or other electronic means authorizing and/or taking any such actions); and
- Car-Part.com may continue to require certain registrations, agreements, authorizations, consents, notices, or other documents to be physically signed by the Customer (and that certain actions be authorized and/or taken by the Customer by physically signing a copy of the necessary documentation)

This Authorization shall be construed in accordance with and governed by the law of the Commonwealth of Kentucky, United States of America (without regard to principles of conflict of laws), including the application of any applicable statutes of limitations. You understand, acknowledge and agree that any action, suit or proceeding brought by you or us relating to (1) this Authorization, and/or (2) any Actions authorized or taken by e-mail, Car-Part messaging communication, or any other electronic means pursuant to this Authorization, shall be brought exclusively in the courts of the Commonwealth of Kentucky located in Kenton County, Kentucky, United States of America, or in the courts of the United States for the Eastern District of Kentucky, United States of America. By signing this Authorization, you irrevocably submit to the exclusive jurisdiction and venue of the courts of the Commonwealth of Kentucky located in Kenton County, Kentucky, United States of America, and the courts of the United States for the Eastern District of Kentucky, United States of America.

Any facsimile signatures, scanned signatures and/or electronic signatures on this Authorization shall be considered original signatures for all purposes.

To implement this process, please provide us with your Customer Designated Authorization Code. This Authorization Code (or password) is a word or phrase that you choose and it will be required to make changes to your Car-Part.com account through electronic means such as email or instant messaging. We recommend choosing a word or phrase that will be easy for you to remember.

**Customer Designated Authorization Code (password):** \_\_\_\_\_

We will also need a Security Question and Answer. The Security Question is a personal question that you would know the answer to in the event that you lose or forget your Authorization Code. (Example: What is your mother's maiden name?)
