

## Car Part Pro: Change Password

To change your Car Part Pro password, follow these steps:

1. In your browser, navigate to CarPartPro.com
2. Enter your Car Part Pro **Email** and **Password**, then click **Login**.
3. The Car Part Pro search screen opens. In the top right corner, go to **My Account > Settings**.

4. The **Account Setup** opens. Click **Change Password / Security Questions**.

5. Enter your **Current Password**.
6. To **CHANGE PASSWORD**, enter your **New Password** and then **Confirm Password** by re-typing it.
7. Click **Submit**.

The screenshot shows the Car-Part Pro account setup interface. At the top is the Car-Part Pro logo. Below it is a red-bordered box containing a 'Current Password' field with masked characters. A red arrow points to this box. Below the box is the instruction: 'Enter your current password, then change your password and/or security question below.' Below this is another red-bordered box titled 'CHANGE PASSWORD' containing 'New Password' and 'Confirm Password' fields, both with masked characters. A red arrow points to this box. Below the 'CHANGE PASSWORD' box is a section titled 'CHANGE SECURITY QUESTION' with explanatory text and two bullet points: 'What is your mother's maiden name?' and 'What was your first pet's name?'. Below this section are two input fields: 'Security Question' with the text 'What street does my oldest sibling live on?' and 'Security Answer' with the text 'Main Street'. At the bottom, there are 'Submit' and 'Cancel' buttons, with a red arrow pointing to the 'Submit' button. Below the buttons is a link that says 'Return to Account'.

8. You are returned to the **ACCOUNT SETUP** screen, and you were sent an email confirming your password change.
